President Wong: Zionists are Welcomed on Our Campus

- Dear SF State community,
- I met Thursday afternoon with members of the SF State Hillel student community and personally apologized for past comments and actions that were deeply hurtful to them and many other members of the Jewish community. During our meeting, I reaffirmed my support for our Jewish students, faculty and staff and pledged, as another step toward reconciliation, to follow up with a public written apology, which is included below:
- Words are powerful. The last couple of years have been difficult for our Jewish students, faculty, staff and community. As a University president, I've become especially sensitive to the content, context and responsibility of all my comments. I take that responsibility seriously, as a grandfather, father, husband, teacher, leader and student. I make every effort to own my own mind and own my own words.
- Responsibility must be mirrored by accountability. I want to publicly acknowledge when that ownership of thought and language impinges on the University's ability to live up to its ideals. It is the responsibility of leadership to also acknowledge when those words are hurtful.
- My comments about Zionists and whether or not they are welcomed at San Francisco State University caused a lot of anguish and deeply hurt feelings. I am responsible for those words and, after study and reflection, I have come to understand how flawed my comments were.
- Thus, I want to sincerely apologize for the hurt feelings and anguish my words have caused. Let me be clear: Zionists are welcome on our campus.
- I know this apology alone may not be enough. But I am committed to a new course of dialogue and actions to ensure that my own awareness and learning will move this great university forward. Admitting fault and desiring a path forward based upon mutual respect motivates me. Making peace is hard work. And hard work has long inspired me. I hope you will join me.

Presentation Main points:

- What does President Wong's statement welcoming Zionists to our campus mean?
- What's the history behind President Wong's statement?
- How does it relate to our discussion of the Israel lobby?
- And what do we do about it?

Urgent: SFSU abandons its social justice mission: President Wong Welcome Zionists

- President Wong, welcoming Zionists to campus, equating Jewishness with Zionism, and giving Hillel ownership of campus Jewishness, to be a *declaration of war* against *Arabs, Muslims, Palestinians* and all those *who are committed to an indivisible sense of justice on and off campus*.
 - This includes *our sisters and brothers in the Jewish community whose conscience refuses to allow Israel's colonialism, racism and occupation—the inherent character of Zionism—to speak in their name*.
 - I am ashamed to be affiliated with SFSU administration and demand the immediate retraction of this racist, Islamophobic and colonialist statement, and the restoration of SFSU social justice mission
 - At a time when we are marking 50 years since the 1968 SFSU student strike and the quest to decolonize the curriculum, it is embarrassing to have our campus leadership cater to donor pressures and the Israeli lobby.
- Email, Rabab Abdulhadi, February 23, 2018

Urgent: SFSU abandons its social justice mission: President Wong Welcome Zionists

Dear friends, colleagues, and allies in the struggle for justice:

I consider the statement below from President Wong, welcoming Zionists to campus, equating Jewishness with Zionism, and giving Hillel ownership of campus Jewishness, to be a declaration of war against Arabs, Muslims, Palestinians and all those who are committed to an indivisible sense of justice on and off campus. This includes our sisters and brothers in the Jewish community whose conscience refuses to allow Israel's colonialism, racism and occupation –the inherent character of Zionism—to speak in their name.

I am ashamed to be affiliated with SFSU administration and demand the immediate retraction of this racist, Islamophobic and colonialist statement, and the restoration of SFSU social justice mission.

At a time when we are marking 50 years since the 1968 SFSU student strike and the quest to decolonize the curriculum, it is embarrassing to have our campus leadership cater to donor pressures and the Israeli lobby.

SFSU should not be seen even remotely as echoing white supremacist and racist anti-Semitism of **Richard Spencer** who identified as “white Zionist” on Israeli TV <https://www.youtube.com/watch?v=mw8ZPxhgRBk> and <https://www.haaretz.com/israel-news/richard-spencer-to-israelis-i-m-a-white-zionist-respect-me-1.5443480>

Or **Yair Netanyahu**, the son of the Israeli Prime Minister, who called MBL and Antifa “thugs” https://www.huffingtonpost.com/entry/netanyahu-charlottesville-trump-yair_us_5994833fe4b0acc593e48a27 and spewed anti-Semitism http://www.slate.com/blogs/the_slatest/2017/09/11/yair_netanyahu_son_of_israeli_prime_minister_posts_anti_semitic_meme_witn.html.

Shouldn't SFSU distance itself from such racist ideologies and instead reclaim its social justice mission? We need you to speak up and make your voices heard.

In solidarity,

Professor Rabab Ibrahim Abdulhadi

What does Hillel Stand for?

ZIONISM IS THE NATIONAL LIBERATION MOVEMENT OF THE JEWISH PEOPLE.

After the Jews were forced into exile from the Land of Israel by the Romans 2000 years ago, they were continuously persecuted and denied basic human rights in the lands of their dispersion. By giving Jews self-government in Israel, Zionism guarantees Jews their basic rights - including the right to live in peace with their neighbors.

We support Israel in its continuing quest for peace.

Al-Awda, The Palestine Right to Return Coalition, and the General Union of Palestine Students at SFSU are proud to announce the Fourth International Al-Awda Convention in San Francisco, CA. It will be a strategic planning conference focused on adapting to shifting realities and rising to meet the challenges of our era. In working for return, we will highlight two main themes:

- 2) Political and material support of the Palestinian refugee population.

Opening program and dinner will be held on Friday night with **keynote speakers**
Dr. Salman Abu Sitta and Prof. Rabab Abdulhadi

The conference will be devoted to political assessments, breakout sessions on organizing of refugee support, divestment from Israel, and planning for the coming year as well as workshops on organizing in different sectors, and arriving at concrete resolutions recommended by the separate breakout sessions. We intend to make Return-to-Palestine central to all aspects of pro-Palestine organizing.

President Wong issued Statement in jweekly Apologizes to Nir Barkat; Reinvites Barkat to SFSU campus

May 3, 2016

I regret that the student event was disrupted by a group of protesters. We care deeply about teaching and learning, and we take pride in linking learning with action. We must learn and be better. Going forward, I am empowering my administration to take more swift and decisive action when faced with similar circumstances. We will not allow another speaker to be drowned out and shouted down.

In a discussion with Mayor Barkat, by phone, *I apologized and invited him back to S.F. State so that we might learn more about the complex and challenging issues he faces as mayor on a daily basis.* He accepted my apology and invitation, the timing of which will depend on his next trip to the U.S.

***We are conducting a full investigation of the incident,* and the students who disrupted the event have been notified that the incident will be adjudicated through the student conduct process; consequences will be meted out commensurate with findings.**

We will adopt *a more assertive stance* when enforcing S.F. State's Time, Place and Manner Policy while preserving the rights of individuals to engage in free speech. Failure to comply with directives of university officials may result in disciplinary action under the Standards for Student Conduct; the university is also willing to take immediate action in accordance with California Penal Code Section 403 PC.

Resisting the New McCarthyism: Rabab Abdulhadi discusses AMCHA's smear campaign, Palestinian Resistance, and the U.S. Solidarity Movement

Rabab Abdulhadi interviewed by the Editors
July 21, 2014

After leading a January 2014 academic and labor delegation to Palestine and Jordan, Dr. Rabab Abdulhadi has come under sustained attack from the rightwing McCarthyist AMCHA Initiative, which describes itself as "a non-profit organization dedicated to investigating, documenting, educating about, and combating anti-Semitism at institutions of higher education in America."

AMCHA accused Abdulhadi of securing university funding on a false pretext of attending a conference of the Center for American Studies and Research (CASAR) at the American University of Beirut. In fact, as she explained in detail in a response to AMCHA's charges: "To my dismay, I was unable to attend the conference in Beirut because of university delays in approving my travel authorization request. Because SFSU and CSU (California State University) delayed funding approval for my travel to areas that the State Department defines as 'high-risk,' I was not able to confirm my attendance to conference organizers by their deadline."

Ken Monteiro, the Dean of the SFSU College of Ethnic Studies, confirmed, after additional review, that "Dr.
